CAUSE NO. 42376 FILED

INDIANA UTILITY
REGULATORY COMMISSION

You are hereby notified that on this date the Indiana Utility Regulatory Commission has caused the following entry to be made:

On December 12, 2003, Waldron Conservancy District filed with the Commission its "Motion To Reopen Cause, and for Attorney's Conference," which Motion appears in the following words, to-wit:

[H.L.]

In its Motion, Petitioner states that it has recently qualified for a grant from the Community Focus Fund of the Indiana Department of Commerce in the amount of \$238,250. As a result of the receipt of the grant, Petitioner will not need to borrow as much money as was indicated at the evidentiary hearing in this Cause, and therefore its revenue requirement will be reduced. Petitioner included with its Motion a revised schedule of pro forma operating revenue and revenue requirements reflecting the impact of the grant on Petitioner's rates. Wherefore, Petitioner prays that the Commission approve the revised rates set forth in the revised schedule.

Upon reviewing the Motion, the presiding officers find that an evidentiary hearing should be convened to consider Petitioner's proposal, on January 13, 2004 beginning at 11:00 a.m. in Room E306 of the Commission's offices.

IT IS SO ORDERED.

David E. Ziegner, Commissioner

Gregory S. Colton, Administrative Law Judge
